STRESS FREE RVs — RENTER CHECKLIST

Before You Drive Away

- ☐ Complete Trip Acceptance Form
- ☐ Upload clear photos of all pre-existing damage
- ☐ Confirm insurance is verified
- ☐ Ask questions during orientation

Driving & Setup

- ☐ Check height & clearance before driving
- ☐ Use generator for A/C and high-power appliances
- ☐ Extend slides only on level ground
- ☐ Secure items before driving

Water, Power & Plumbing

- ☐ RV-safe toilet paper ONLY
- ☐ Keep black tank valve closed until dumping
- ☐ Do not leave water connected unattended
- ☐ Turn off appliances when not in use

Awning

-  Retract in wind, rain, or when unattended
-  Awning damage is common and renter-responsible

Before Return

- ☐ Remove all trash and personal items
- ☐ Dump black & gray tanks (unless add-on purchased)
- ☐ Refill fuel & propane to departure levels
- ☐ Return all inventory

IMPORTANT

If anything breaks or seems wrong — **call or text us immediately. 619.599.6882**
Waiting until after return limits assistance and may increase charges.
